

Barcelona trip

In October 2014, in collaboration with the PSWS Spanish Department, we ran a trip to Barcelona. We took 26 students (Year 10 to Lower 6th) and spent five days in the city. Our hotel (3 stars, close to a useful metro, friendly staff, nice breakfasts, simple, comfortable rooms) was in the north east of Barcelona.

We visited MACBA, La Sagrada Familia, the Miro Museum, Parc Guell (designed by Antonio Gaudi), the Picasso Museum, the cathedral in Gerona, and the Dali Museum (in the nearby town of Figueres). We also took part in a *Spanish cooking* workshop, had a vertiginous cable car ride and a guided walking tour of the city.

Barcelona is an extremely stylish, cultural, relaxed, and vibrant city. We can't wait to go back!
