

Chertsey Museum

In February and March 2019 we had our annual exhibition at Chertsey Museum. The show was curated and hung by Alex Seuren, with help at the museum from Emma Warren. The show featured work from some of last year's GCSE and A Level students; it included oil paintings, drawings, watercolours, printmaking, sculpture and photography. The students' artwork looked stunning and we were thrilled to have the chance to exhibit at the museum again.
