

Summer exhibition

Our 2017 GCSE & A Level exhibition was an extraordinary event, containing beautiful and exciting artwork from our incredibly hard-working students. For two weeks, the whole of the top floor of the Art Centre was turned into a gallery space where we displayed oil paintings, drawings, watercolours, printmaking, photography, film, and sculpture. We held the show's Private View on the evening of Thursday 22 June, and scores of people attended. The studios were buzzing the whole evening; the feeling of pride in the air, over our students' remarkable achievements, was very tangible and certainly well-deserved.
