

Visiting artist

Professional painter, Lucy Smallbone, came into our Art Department on Friday 23 November to talk about her work and lead a painting workshop with our Lower Sixth students. Lucy trained in Fine Art at the City & Guilds Art School and, at master's level, at the Slade School of Fine Art. She has won a number of awards, including the Duveen Travel Prize. Lucy frequently bases her work on landscapes, taking a highly distinctive and contemporary approach to this traditional subject. She lives and works in London.
